Trip Overview

Bhote Koshi rafting is the gorgeous for escapade trip with very steep and essentially non-stop mountain river only 3 hours drives from Kathmandu offering two days of intense and demanding river movement.

You are beginning to understand what this great trip in Nepal offers you nothing less than the ride of a lifetime. If you have never rafted before and if you have limited time but desire an [adrenaline](#) overload, then this is a perfect preliminary trip package for you.

On drifting along the call of the wild white waters, the rafting gets steeper moving class IV-V rapids and later mellows into continuous streams creating class III rapid.

Unmatched in its picturesque attractiveness, Bhote Koshi rafting offers many picturesque moments. Bhote Kosi is probably the most exciting short [rafting trip in Nepal](#) and best white water adventure in the world. You are beginning to understand what this great trip in Nepal offers you nothing less than the ride of a lifetime.
