Trip Overview

Manaslu Circuit with **Larke Peak climbing** is one of the most mesmerizing trips in Nepal. This is a less crowded trip that offers an unforgettable adventure.

This trip will take you to remote villages and the natural beauty of Nepal. You will witness lush forests, rivers, and waterfalls beside the snow-capped mountains. You'll also discover the preserved areas of the trip, which are rare, including plants and places.

[Larke Peak](#) is a rewarding peak to climb in combination with the [Manaslu Circuit Trek](#). It is a difficult climb with spectacular views of Manaslu, the Annapurnas, Ganesh Himal, and beyond.

Larke Peak Climbing offers an unforgettable trekking experience in one of the most remote areas of Northern Nepal, the [Manaslu](#) Region. Situated at the altitude of 6,249m in the magnificent area of Gorkha District, this trek offers abundant Medieval Tibetan, Gurung and Tibetan cultures and some unprecedented views of numerous peaks such as Mt Annapurna (8,091m), Lamjung Himal (6,983), Tilicho Peak (7,134m), Manaslu (8,163m) and many more.

Most people living here are Buddhists which clearly shows the significance of Tibetan-Buddhist culture. Along with from Himalayan beauty, one can be truly amazed by ancient Gompas/monasteries, art, and customs that have remained despite modern invasions.

Climbing Larke peak demands high level of stamina and good physical fitness. Technical climbing skills not required but use of climbing equipment is preferred for this challenging peak. So, sound physical condition and previous hiking experiences or [peak climbing](#) will be advantageous for achieving the summit of Larke Peak.

Trip Itinerary

Day 01: Arrive in Kathmandu.

Welcome to the Himalayas, one of our representatives will pick you from the airport and drive you to your respective hotel.

Once you reach the hotel you will check in and rest for a while. The remaining day you can discover Thamel looking at shops and eating at a restaurant.
